ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Claimant's June 29, 2016 Application for Review (AFR) appealing an Order issued by the Administrative Hearings Division on May 31, 2016.

On October 26, 2016, Claimant filed a Motion to Stay the appeal proceedings on her AFR, stating "Since the filing of the Application for Review on July 1, 2016, the parties were able to reach an amicable resolution of this claim by way of settlement" and requesting the appeal be stayed "pending approval of the settlement agreement by the Department of Employment Services, Office of Workers' Compensation". Claimant's motion further states that counsel for the Employer and Insurer has consented to the filing of her motion.

Based on the foregoing, Claimant's June 29, 2016 AFR is hereby dismissed, without prejudice, subject to the right of either party to request its reinstatement within 30 days from the date of issuance of an order by OWC related to the parties' settlement agreement.

So ordered.
