ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Claimant's June 22, 2015 Application for Review (AFR) appealing a Compensation Order issued on May 22, 2015.

On October 21, 2015, Claimant filed a motion to dismiss its AFR stating that the parties have resolved the matter on appeal, and requesting this matter be remanded to the Office of Workers' Compensation for further proceedings.

Therefore, Claimant's June 22, 2015 AFR is dismissed without prejudice, subject to the right of either party to request its reinstatement within 30 days from the issuance of an Order from the Office of Workers' Compensation (OWC).

So ordered.
