ERRATA ORDER

On September 5, 2008, the Office of Hearings and Adjudication (AHD) issued a Compensation Order (hereinafter, Order) in the above-captioned matter. Review of the Joint Pre-Hearing Statement and the accompanying Stipulation Form in this matter shows that the parties sought relief on the issue of nature and extent of injury. Parties also acknowledged that Employer voluntarily paid to Claimant a schedule 10% PPD to the left foot on March 19, 2007. This acknowledgment was not recorded in the Findings of Fact in the Order.

Employer submitted a Motion for Amended Compensation Order on September 10, 2008, requesting that the Order be amended to reflect the parties' acknowledgment of the previous PPD payment. The request was made in order to avoid future confusion as to what amounts may be presently due beyond the 10% previously paid, as well as to any issues regarding the basis for any requested attorney's fee. As of today's date, there has been no opposition to Employer's request filed by Claimant.

Accordingly, it is hereby **ORDERED** that the first paragraph in the Findings of Fact section on page 2 of the Order is hereby **AMENDED** to reflect that the parties have stipulated that Employer voluntarily paid a schedule 10% PPD for the left foot on March 19, 2007.

It is **SO ORDERED**.
