ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Claimant's April 22, 2013 Application for Review (AFR) appealing a Compensation Order issued on March 22, 2013 by the Hearings and Adjudication section of the Office of Hearings and Adjudication, Department of Employment Services. By letter filed with the CRB on May 21, 2013, the Claimant advised the CRB that the parties have resolved all issues in this matter and requested that the Application for Review be dismissed and the matter be remanded to the Office of Worker's Compensation (OWC) for further action.

It is therefore ORDERED that the Claimant's April 22, 2013 AFR is hereby DISMISSED without prejudice, subject to the right of either party to request its reinstatement within 20 days from the issuance of an Order from OWC.

This matter is remanded to OWC for further proceedings.
