REMAND ORDER

On June 17, 2014, the District of Columbia Court of Appeals (DCCA) issued an Order in this case that remanded this matter to the Compensation Review Board “for further proceedings consistent with the statements made in [Claimant’s] motion.”

The motion referred to in the DCCA’s Order was a consent motion in which the parties requested that this matter

be remanded to the Compensation Review Board, for the sole purpose of remanding the claim to the Office of Administrative Hearings and Adjudication for a new Formal Hearing on the disposition of issues originally before former Administrative Law Judge Anand K. Verma in the Compensation Order dated September 30, 2012.

Therefore, consistent with the DCCA’s Order this case is remanded to the Office of Hearings and Adjudication for a new formal hearing consistent with the consent motion.
