ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Claimant's December 30, 2015 Application for Review (AFR), appealing a Compensation Order issued by the Administrative Hearings Division on November 30, 2015.

On May 10, 2016, Claimant filed a motion to withdraw his AFR, stating that the parties have settled all issues on appeal and advising that on April 21, 2016, the Office of Workers' Compensation approved a lump sum settlement in this matter.

Accordingly, Claimant's AFR is dismissed with prejudice and this case is stricken from the CRB's docket.

So ordered.
