ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Employer/Carrier's October 21, 2013 Application for Review (AFR) appealing a Rescind Order for Final Order issued by the Office of Worker's Compensation on September 20, 2013. Both parties to this matter have advised the CRB that the all issues in this matter have been resolved. The parties further request that the Application for Review be dismissed and the matter be remanded to the Office of Worker's Compensation (OWC) for further action.

It is therefore ORDERED that the Claimant's October 21, 2013 AFR is hereby DISMISSED without prejudice, subject to the right of either party to request its reinstatement within 20 days from the issuance of an Order from OWC.

This matter is remanded to OWC for further proceedings.
