REMAND ORDER

On December 19, 2014, the District of Columbia Court of Appeals (DCCA) issued a Memorandum Opinion and Judgment in the appeal of this case that remanded this matter to the Compensation Review Board to

[D]irect the ALJ to reopen the record for a reasonable but limited time to permit the claimant to supplement it with medical records and testimony ... and make ... concrete findings that are lacking so far on the material contested issue of causation.

The DCCA opinion further provides “[p]ending this expedited reconsideration, the present compensation order may remain in effect.”

Therefore, this matter is remanded to the Administrative Hearings Division, Office of Hearings and Adjudication for further consideration consistent with the DCCA opinion in this appeal.
