# GOVERNMENT OF THE DISTRICT OF COLUMBIA Office of the Chief Financial Officer

Natwar M. Gandhi Chief Financial Officer

#### Dear District of Columbia Taxpayer:

I want to take the opportunity at the start of the filing season to address the recent allegations of fraud and wrongdoing at the Office of Tax and Revenue (OTR). We take these allegations very seriously, and we support the ongoing investigations of law enforcement agencies and other reviews of our tax administration.

As the Chief Financial Officer of the District of Columbia, I take full responsibility for this situation and will work tirelessly to restore your confidence and trust. I took immediate steps to strengthen our management and internal controls for tax operations. We will be vigilant and diligent in rebuilding our tax administration and make it worthy of our nation's capital.

You can assist the District by reporting suspected wrong doing to OTR's tax fraud hotline at 1-800-380-3495 or by sending an email to <u>TaxFraudHotline@dc.gov</u>. The District's Inspector General also maintains a Fraud, Waste and Abuse reporting Hotline at (800) 521-1639, (202) 727-0267 or via email to <u>hotline.oig@dc.gov</u>. In either case you can remain anonymous.

Working together in this way, we can safeguard your tax dollars and ensure the integrity of our tax administration.

Sincerely,

Natwar M. Gandhi Chief Financial Officer

## **New This Filing Season**

Please be aware of the following tax law and administrative changes when filing your D.C. taxes in 2008.

#### **Tax Law Changes**:

- **Income Tax Rates**: The top individual income tax rate (for those earning \$40,000 or more a year) has been reduced from 8.7 percent to 8.5 percent. There are also rate reductions in the lower tax brackets.
- D.C. Government Employee First-time Homebuyer Credit Eligibility for this \$2,000 credit has been expanded from just police officers to include all D.C. government employees, all employees of a D.C. public charter school, and any person who has accepted an offer to be a D.C. police officer, firefighter, emergency medical technician, public school teacher, or teacher at a D.C. public charter school. This expanded tax credit is limited to those employees who purchased their first homes on or after October 1, 2007 and who have enrolled in the Employer Assisted Housing Program offered by the D.C. Department of Housing and Community Development.

Since this credit was already available to D.C. police officers, they are not subject to the October 1, 2007 date.

• **Domestic Partner Health Care Benefits** – As a reminder, since January 1, 2006, the cost of any health-care insurance premium, paid by an employer for a non-employee domestic partner registered with the Vital Records Division of the D.C. Department of Health, is excluded from the calculation of the employee domestic partner's District gross income.

### **Direct Deposit**:

If you are filing a paper return, you can now elect to have your refund deposited directly into your bank account.

## Who must file a DC tax return?

#### You must file a DC tax return if -

- You were a DC resident and were required to file a federal return.
- Your permanent residence was in DC for either part or all of 2007.
- You lived in DC for 183 days or more during 2007, even if your permanent residence was outside DC.
- You were a member of the U.S. armed forces and DC was your home of record for either part or all of 2007.
- You are the spouse/domestic partner of an exempt military person or another exempt person, such as a non-resident presidential appointee and you meet any of the above requirements.

#### Do not file a DC return if -

- You were not required to file a federal return.
- You were not a resident of DC at any time during 2007.
- You were an elected member of the U.S. government who is not domiciled in DC.
- You were an employee on the personal staff of an elected member of the U.S. Congress and you and the elected member are bona fide residents of the same state.
- You were a member of the U.S. executive branch appointed by the President, subject to confirmation by the U.S. Senate, whose tenure of office is at the pleasure of the President, and you were not domiciled in DC during any part of 2007.
- You were a justice of the U.S. Supreme Court and were not domiciled in DC during any part of 2007.

#### **Special filing circumstances**

Part-year resident

If you were a DC resident (or your permanent home was in DC) for less than a year, you must file as a part-year resident.

#### Amended return

File an amended return any time you realize your DC tax liability for a prior open tax year (usually three years) has changed. To file an amended return for the current year, complete another 2007 D-40EZ with the corrected information and fill in the amended return oval. Attach an explanation of the changes. File the amended return separately from any other return. By filing an amended return as soon as possible, you will reduce the accumulation of penalty and interest charges on any balance due.

If you are filing an amended return for a prior year, attach a copy of the return filed for that year, <u>fill in the amended return oval</u> and attach a statement explaining the items being amended.

If the Internal Revenue Service adjusts your individual federal tax return, you must file an amended DC return within 90 days of receiving notice of the federal adjustment.

Refund of DC taxes withheld

If you were a DC resident but are not required to file a DC return, you must file either a D-40 or a D-40EZ to request a refund of any DC taxes withheld.

If you are not a DC resident and are not required to file a DC return, but DC tax was withheld from your wages, file Form D-40B, Nonresident Request for Refund.

## When are your taxes due?

#### Due date

File your return and pay any tax due by April 15, 2008.

If you need more time to <u>file</u> your return, file DC Form FR-127, Extension of Time to File Income Tax Return, by April 15, 2008. Any tax due must be paid in full with the request; there is no extension of time to pay. Do not use the federal form to request an extension of time to file a DC tax return.

## How to file your return

#### By mai

If you do not owe additional tax or you are getting a refund, mail your completed original return to:

Office of Tax and Revenue

PO Box 209

Washington, DC 20044-0209

If you owe additional tax and are sending a payment, mail your completed original return to:

Office of Tax and Revenue

PO Box 7182

Washington, DC 20044-7182

Do not include more than one return per envelope.

#### **Mail Labels**

We have provided two adhesive mail labels on the back flap of your return envelope. If you are sending a <u>payment</u> with your return, place the PO Box 7182 mail label on your return envelope.

If you are filing a <u>no money due</u> or a <u>refund</u> requested return, place the the PO Box 209 mail label on your return envelope.

#### By DC e-file

E-File offers individual income taxpayers a full Federal/State Electronic Filing program. There are two ways in which taxpayers can file their federal and DC returns together electronically: 1) through a tax practitioner who is an authorized e-file provider or 2) through a commercial online filing service, which allows taxpayers to transmit their DC and Federal returns electronically from their home PC for a fee. For more information visit our website at www.taxpayerservicecenter.com.

We also offer a free and easy way to file your DC income tax return on the Internet directly with the Office of Tax and Revenue. Using the electronic Taxpayer Service Center (eTSC), you may file your D-40 or D-40 EZ 24 hours a day, 7 days a week. This Internet site provides a full calculation of DC tax and credits. This filing option is available to taxpayers who filed a D-40 or D-40 EZ tax return in 2006. To file online, visit www.taxpayerservicecenter.com for more information.

If you use one of our e-file options to file your DC income tax return, you may also choose to have your refund deposited directly into your checking or savings account. (See page 10.)

#### **Refund Status Inquiry**

To check the status of your refund on the Internet, go to www.taxpayerservicecenter.com.

## What are your payment options?

#### **Credit card**

24-hour service

You may use Visa, MasterCard, Discover, or American Express. You will be charged a fee equal to 2.5% of your tax payment. The fee is paid directly to the Official Payments Corporation, the credit card service provider. Your tax payment is effective the day you charge it.

To charge your taxes by phone

Call 1-800-272-9829 using a touch-tone phone. The DC jurisdiction code is 6000. You will be given a confirmation number – keep it with your records.

To charge your taxes online

Log onto www.officialpayments.com and select "make a payment." The DC jurisdiction code is 6000. You will be given a confirmation number – keep it with your records.

#### **Check or money order**

Include a check or money order payable to the DC Treasurer with your completed return. Write your social security number, daytime phone number, and "2007 D-40EZ" on your payment. Use the D-40EZP, Payment Voucher when making such a payment.

# How can you avoid penalties and interest?

#### File your return and pay on time

You will be charged a 5% per-month <u>penalty</u> for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount due, equal to 25% of the tax due.

You will be charged <u>interest</u> of 10% per year, compounded daily, on any tax not paid on time. Interest is calculated from the due date of the return to the date the tax is paid.

#### Do not understate your taxes

There may be a penalty on the understatement of the tax required to be shown on your return if the understatement exceeds the greater of:

- 10% of the tax required to be shown on the return; or
- \$2,000.

The penalty is 20% of the underpayment which is the difference between the correct tax and the amount shown on the return

Tax preparers may be assessed a <u>penalty</u> for understating taxes for any of the following reasons:

- The refund or amount due shown on the return is based on unrealistic information;
- If the preparer should have been aware of a relevant law or regulation; or
- If relevant facts about the return are not adequately disclosed.

Penalties range from \$250 to \$10,000. For additional information, see DC form D-2210, Underpayment of Estimated Income Tax by Individuals.

#### Make sure your check will clear

You will be charged a \$65 fee if your check is returned to us.

#### **Personal Records**

Maintaining organized and complete records supporting income and deduction items on your return makes it easier to prepare the return, respond to any questions about it and offer additional information if you are ever assessed more tax.

Helpful publications on recordkeeping available from IRS are:

- Publication 463 (PDF), Travel, Entertainment, Gift and Car Expenses;
- Publication 552 (PDF), Recordkeeping for Individuals; and
- Publication 583 (PDF), Starting a Business and Keeping Records.

## **Assembling your D-40EZ return**

- Staple the check or money order to the D-40EZP Payment Voucher.
- Staple any Forms W-2 and 1099, to the front of your D-40EZ as shown below.
- Staple your federal return to the upper left corner behind the D-40EZ.

#### **Tax Fraud Hotline**

If you suspect someone of tax fraud, please report it to the Tax Fraud Hotline at 1-800-380-3495 or by e-mail to Tax Fraud Hotline@dc.gov.

**Note:** Your social security number is used for tax administration purposes only.

8

#### **Getting started**

- You'll need a copy of your completed 2007 federal return, copies of all your Forms W-2 and 1099, a pen with black ink and a calculator to complete this form.
- You can copy many line items directly from federal forms 1040, 1040A and 1040EZ. Please be careful since the line numbers will differ from D-40EZ line numbers.
- Not all items will apply to you. Fill in only those that apply.
   If an amount is zero, do not make an entry, leave the line blank
- Do not enter cents. Round cents to the nearest dollar.
   Example: \$10,500.50 rounds up to \$10,501 \$10,500.49 rounds down to \$10,500

#### **Amended return**

To file an amended return for the current year, fill in the amended return oval, and complete the D-40EZ. Include an attachment explaining the changes and note if you received a refund. Do not file an amended return with any other return. If the Internal Revenue Service adjusts your federal individual income tax return, you must file an amended DC return for that year within 90 days of receiving notice of the federal adjustment.

If you are filing an amended return for a prior year, include a copy of the return filed for that year, fill in the amended return oval and attach a statement explaining the items amended. You can download forms from www.taxpayerservicecenter.com or call 202 442-6546 to request forms by mail.

#### **DC** income tax

**Line 1** Total wages, salaries, tips, unemployment compensation, etc.

Enter the amount from your 1040 or 1040A, Line 7; or 1040EZ, Line 1.

#### Line 7 DC Low Income Credit

To qualify for this credit, your federal tax liability before credits and payments (1040, Line 44; 1040A, Line 28; or 1040EZ, Line 10) must be 0. If you claimed the federal Earned Income Credit (EIC), it may be better for you to take the DC Earned Income Tax Credit instead of the DC Low Income Credit. You

<u>cannot take both DC credits.</u> Complete Calculation A below to determine which DC credit is better for you. <u>Attach a copy of your federal return</u>, whichever DC credit you claim.

- Credit amount for single filers
   Enter \$183 on Line 7 if you claim 1 exemption.
- Credit amount for filing jointly Enter \$520 on Line 7.
- Credit amount for filer who can be claimed as a dependent by someone else is computed as follows.

Subtract \$2,500 (DC's standard deduction) from your federal standard deduction (1040, Line 40; 1040A, Line 24; or 1040EZ, Line 5). Take the result and, using the tax tables on pages 29-38, find the tax amount that corresponds. Enter that amount on Line 7.

Attach a copy of your 1040, 1040A, or 1040EZ.

**Line 9a** Voluntary contribution to the Public Fund for Drug Prevention and Children at Risk

**Line 9b** Voluntary contribution to the DC statehood delegation fund.

Add 9a and 9b. An entry on 9a or 9b will either reduce the amount of your refund or increase the amount you owe. The minimum contribution to either is \$1.

If you are not due a refund or do not owe additional tax you may still contribute. Fill in Lines 9a and/or 9b and make a check or money order in the amount of the contribution(s) payable to the DC Treasurer. Attach it to the D-40EZP payment voucher and mail it with your return.

#### Line 11 Total DC income tax withheld

Add the amount of DC income tax withheld from all your 2007 Forms W-2 and 1099. Attach copies of all Forms W-2 and 1099 that show DC withholding.

#### Line 13 DC Earned Income Tax Credit (EITC)

Taxpayers who claimed the federal Earned Income Credit (EIC) can also claim a DC EITC of 35% of the federal credit. Complete Calculation A below to determine if the DC Low Income Credit or the DC EITC is better for you. Do not take both DC credits. Attach a copy of your federal return, whichever credit you claim.

Your Federal Earned Income Credit (EIC)

Enter on Line d of Calculation A the credit you claimed on 1040, Line 66a; 1040A, Line 40a; or 1040EZ, Line 8a. Multiply

- · is usually just to the right of the routing number;
- can be up to 17 digits long and
- can be both numbers and letters.

Extension of Time to File Income Tax Return

Revised 08/07

337255 2007 D-40EZ.indd 19 12/3/2007 1:11:33 PM

## **Instructions for Form FR-127**

#### Why file Form FR-127?

Use this form if you cannot file your individual income tax return by the April 15, 2008 due date. By filing this form, you can receive an extension of time to file until October 15, 2008.

You must use Form FR-127 to request an extension of time to file a DC individual income tax return.

A filing extension is <u>not an extension</u> of the due date <u>for paying</u> any tax you may owe. Before filing for an extension, estimate the taxes you will owe and pay any part of that amount, not covered by DC withheld amounts and/or estimated tax payments. Include your payment with the FR-127 voucher and file it by April 15, 2008.

## Additional extension for DC residents living or traveling outside the U.S.

In addition to the 6-month extension, you may receive another 6-month extension. You must file for the first 6-month extension by the April 15, 2008 due date before applying for the additional extension of time to file.

#### When is the Form FR-127 due?

You must submit your request for an extension along with full

payment of any tax due by April 15, 2008. If the due date falls on a Saturday, Sunday or legal holiday, the form and payment are due the next business day.

#### When is your individual tax return due?

You may file your tax return any time before the extension expires. When you do file your return, attach a copy of the FR-127 that you filed.

#### How can you avoid penalties and interest?

File and pay your tax liability on time.

You will be charged interest of 10% per year, compounded daily, on any tax not paid on time. Interest is calculated from the due date of the return to the date the tax is paid.

You will be charged a 5% per-month <u>penalty</u> for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount due, equal to 25% of the tax due.

Make sure your check will clear.

You will be charged a \$65 fee if your check is returned to us.

Detach at perforation and mail the voucher, with payment attached, to the Office of Tax and Revenue.
