(2) An employee’s unused paid leave accrued during a 12-month period shall carry over annually. (f) If employees of beauty, hair, and nail salons are paid by commission (whether commission only or base wage plus commission), the sick leave rate of pay shall be calculated as follows: divide the employee’s total earnings in base wages and commissions for the prior calendar year by the total hours worked as a commissioned employee during the prior calendar year. If employees do not have a prior calendar year’s work history, divide the employee’s total earnings in base wages and commissions since the employee’s date of hire by the total hours worked as a commissioned employee since that date.

Paid leave shall be provided upon the written request of an employee upon notice as provided in this section. The request shall include a reason for the absence involved and the expected duration of the paid leave. leave days by the written terms of a bona fide collective bargaining agreement.
