Workshop Descriptions

Get to Know Your American Job Center (General Orientation)

This session is designed to provide participants with general information and services provided by the Department of Employment Services and the American Job Center programs which includes an overview of scheduled Workshops.

Smart Resume: Tips, Tools and Techniques & Writing a Professional Cover Letter

A well-written cover letter can increase the chances of an employer viewing your resume. Learn how to write a professional cover letter that best represents your skills and strengths applicable to your desired position. Your resume is your first impression. Learn how to structure your resume in a way that will stand out to employers. Discussion will include strategies on how to cater your resume to the job description, different resume styles and using key words and phrases.

The Conversation That Gets the Job (Interviewing Skills)

Market your skills to the employer and prepare for a professional interview. Learn about panel interviewing, what not to say during an interview, and what to do after the interview is over.

Navigating DC Networks

Learn the best strategies to connect with employers and their job postings online through DC Networks. This session will provide you with necessary information to assist you in putting your best foot forward online. Find out about tools that will help you show employers who you are, alert you when new jobs are posted and improve your job search.

Successfully Submitting Online Job Applications

Participants will learn tips on how to increase their chances of their application being selected by an employer for an interview.

Microsoft Digital Alliance
