Appeal from a Compensation Order by  
Administrative Law Judge Anand K. Verma  
AHD No. 12-115, OWC No. 682335

Matthew J. Pepper, Esquire, for the Claimant  
Donna J. Henderson, Esquire, for the Self-Insured Employer

**ORDER**

This case is before the Compensation Review Board (CRB) on the request for review filed by the self-insured employer, the Washington Metropolitan Area Transit Authority, of an October 29, 2010, Compensation Order on Remand (COR) by Administrative Law Judge (ALJ) Anand K. Verma. In the COR, the ALJ held the self-insured employer responsible for a second rotator cuff surgery.

The CRB has been advised by counsel for both parties that there no longer is a case or controversy for the CRB to decide.

Accordingly, the self-insured's Application for Review is hereby DISMISSED.

It is so ORDERED.
