ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Employer’s September 23, 2015 Application for Review (AFR) appealing an Order issued by the Office of Workers’ Compensation on August 27, 2015.

On February 8, 2016, Employer filed a Motion to Stay the appeal proceedings stating the “parties reached a resolution via settlement of the issues presently” on appeal to the CRB, that the Claimant consents to a withdrawal of this appeal, and requesting the appeal be withdrawn, subject to reinstatement should the settlement not be approved by the Office of Workers’ Compensation.’

Employer’s September 30, 2015 AFR is hereby dismissed, without prejudice, subject to the right of either party to request its reinstatement within 30 days from the date of issuance of an order by OWC related to the parties’ settlement agreement.

So ordered.
