Note: Fourth quarter 2013 as presented in this publication is preliminary and based on information compiled and collected through May 2014.  
 Latest available data on covered employment and wages for the whole year 2013 will be presented in a separate publication.  
 Details may not equal totals because some confidential or non-disclosable data are not shown in this publication.  
 Industries for which data are confidential are not shown. Some non-confidential data are also not included if they can be used to derive confidential data within an industry or sector.

\*\* NAICS is North American Industry Classification Code.

\*\*\* In some cases wages are affected by seasonal changes in business activity, the number of weeks or hours worked, if pay periods are greater or less than usual, and if extra compensation is given in the form of bonuses, profits distributed, or other unidentified lump-sum payments.
