BOARD

(Issued May 16, 2016)

LAWRENCE D. TARR, *Chief Administrative Appeals Judge*, for the Compensation Review Board.

ORDER VACATING THE MAY 13, 2016 ORDER DISMISSING CLAIMANT'S APPEAL

On May 13, 2016, the Compensation Review Board (CRB) dismissed Claimant's Application for Review (AFR). Claimant's AFR had requested the CRB reverse the March 29, 2016, Order issued by Administrative Law Judge Gerald D. Roberson ordering Claimant to file complete discovery responses and supply medical and claims records releases by May 16, 2016, and to submit to a deposition on or before May 30, 2016.

The CRB dismissed Claimant's AFR because the CRB did not receive Claimant's response to a Show Cause Order by May 12, 2016.

The CRB has learned that Claimant timely responded to the CRB's Show Cause Order but that the Department of Employment Services' mailroom misdirected the response to the Administrative Hearings Division instead of the CRB.

Therefore, the CRB's May 13, 2016 Order Dismissing Application For Review is hereby vacated. Employer shall have until Tuesday May 23, 2016 to file an opposition to Claimant's response.

So ordered.
