ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Employer/Insurer's November 21, 2016 Application for Review (AFR) of a Compensation Order issued on October 27, 2016 by the Administrative Hearings Division (AHD) in the Department of Employment Services. On December 2, 2016, Claimant filed with the CRB an opposition to Employer/Insurer's AFR.

On December 20, 2016, the parties filed a Joint Motion to Stay Proceedings in this matter, stating "the parties believe that negotiations may result in a settlement of the claim which would therefore render moot the current proceedings before the CRB".

Accordingly, Employer's AFR is hereby dismissed without prejudice, subject to the right of either party to request reinstatement should settlement not be achieved or within 30 days from the date of issuance of an order by OWC related to the parties' settlement agreement.

So ordered.
