LAWRENCE D. TARR, *Chief Administrative Appeals Judge*, for the Compensation Review Board.

ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on Employer's April 29, 2015, Application for Review (AFR) of a March 30, 2015 Compensation Order on Remand issued by the Administrative Hearings Division. On July 1, 2015, the CRB issued an order granting Employer's consent motion to suspend further proceedings on this appeal pending on-going settlement discussions.

On February 17, 2016, Claimant's counsel filed a letter motion advising that the parties have reached a compromise settlement of all issues that are the subject of the pending appeal before the CRB, and also indicating that the parties jointly request that the AFR be dismissed without prejudice and that the matter be remanded to the Office of Workers' Compensation (OWC) for consideration of the settlement agreement.

Based on the foregoing, Employer's April 29, 2015 AFR is hereby dismissed, without prejudice, subject to the right of either party to request, within 30 days from the date of issuance of an order by OWC related to the parties' settlement agreement, that this appeal be reinstated.

*So ordered.*
